

This venue is equipped with **AUDIOZONE**

Install the free AudioZone app to tune into commentary when our TVs are muted

Free & easy to use – follow these four steps

Install the free app

Simply scan the QR code on this poster or search for AudioZone in the Apple App Store or Google Play.

Connect to the "AudioZone" WiFi

Go to your phone wifi settings, look for a network called "AudioZone".

Attach your wired or bluetooth headset

As a courtesy to other guests AudioZone will not play through your phone speaker.

Press the speaker icon to start the audio

In venues with multiple TV channels you will be able to select your channel from a drop down list.
